Felt Mitten & Heart Pocket

Dec. 2-31, 2024

Make your own Heart and Mitten Felt Pockets with our December Take and Create Kits! This art experience, created by MN Artist Mary Mulari, includes supplies for creating 6 felt pockets to trim a tree, make a garland, or use as colorful holders for treats, gift cards, or special notes. The pockets can be sewn by hand or machine, and kits include assorted ribbons, buttons, and ideas for personalizing each pocket. Each kit comes with simple instructions and a link to an instruction video. Kits will be distributed at your local ALS libraries and ALS outreach locations.

This project was funded in part or in whole by a grant from Minnesota's Arts and Cultural Heritage Fund.

Dust of Snow

By Robert Frost

The way a crow
Shook down on me
The dust of snow
From a hemlock tree

Has given my heart
A change of mood
And saved some part
Of a day I had rued.
